FOREWORD

"Spirit and determination are the keys to success."

These words, by Emerson, aptly describe our school year. From September to May we experienced wins - and defeats, successes - and failures, happiness - and sorrow. But whether we won or lost, we always displayed an unfaltering spirit - a spirit which will lead us on toward a greater victory.

The 1968 KENNEL is new and different - a record of happenings and past events which will never again be experienced.

It is our hope that the spirit recorded in these pages will always provide pleasant memories for those who possessed it.

In Memoriam

To the community, the accidental death of Laura Moseley was a severe shock; to her family, a tragic loss; and to Banquete High School, a somber mishap.

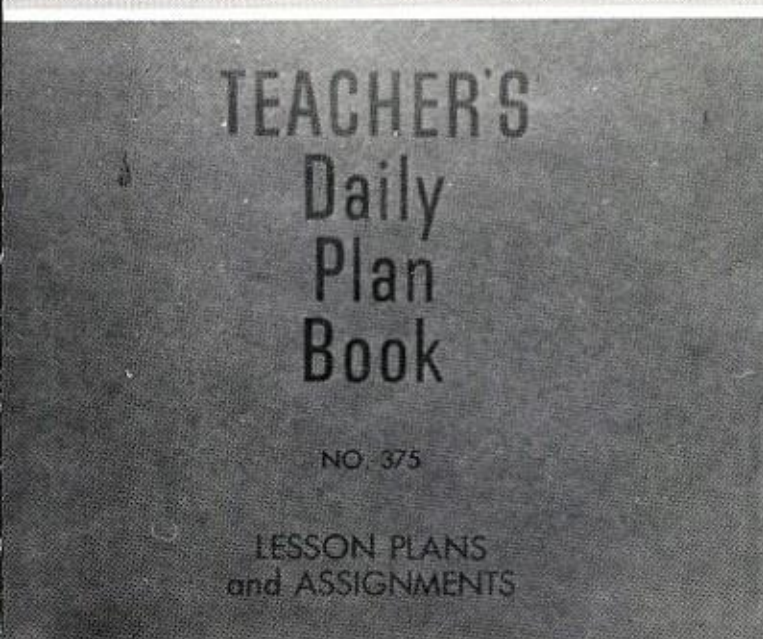

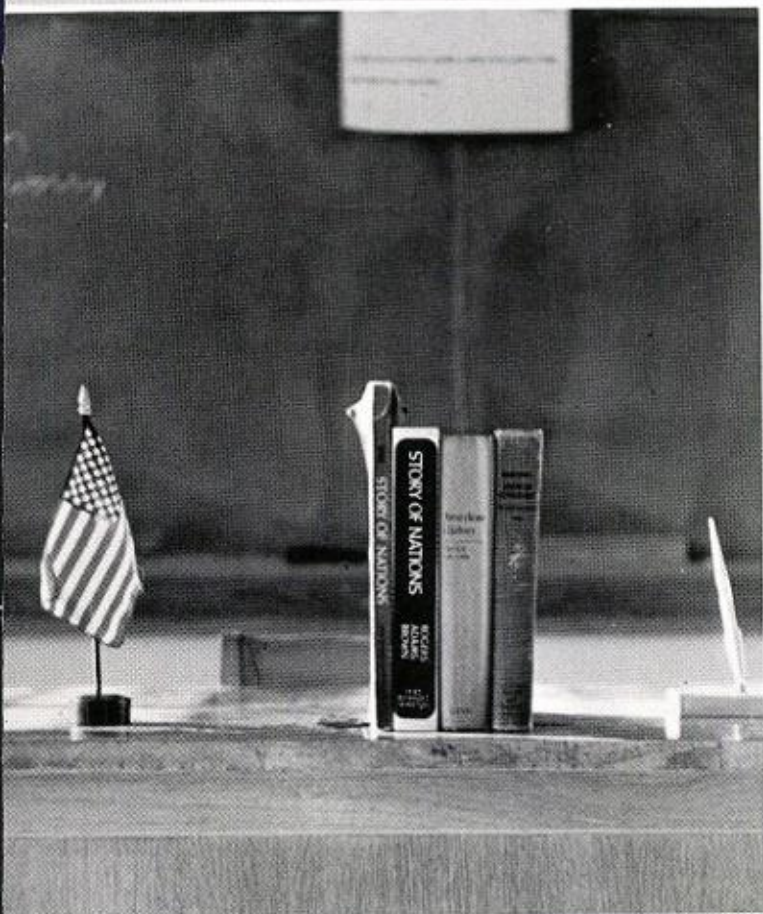

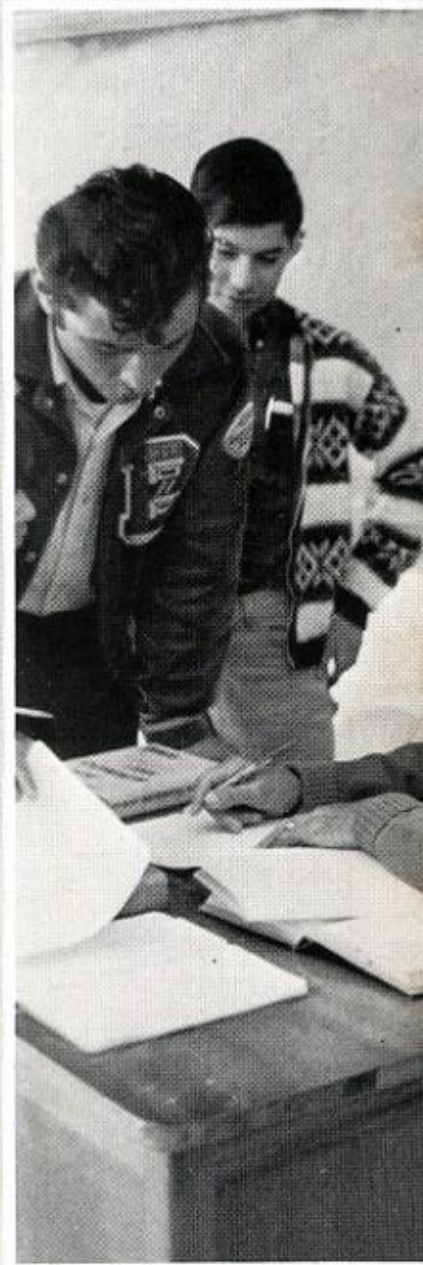

There were pleasant recollections for those who knew her. Her engaging smile blended into an attractive appearance, from which emanated a winsome personality and a friendly spirit.

Laura, a 1967 graduate of our school, will long remain a fond memory in the hearts of her teachers and friends at Banquete High School.

Dedication

When we recall the highlights of our education, it will be to our instructors to whom we owe our greatest tributes. There is no final way to assess the worth of a teacher except in terms of those he has taught. Our insight has been deepened, and our knowledge magnified by those who will forever remain bold in our memories.

To you who have understood, assisted and encouraged us from the first year to the last; to you who have sacrificed so generously to prepare us to take our place as citizens - to you, the TEACHERS OF THE BANQUETE SCHOOLS, we dedicate our 1968 KENNEL.

1968 Board of Trustees

Left to Right: Willie Schroeder, Alton Haug, Pres. Leon Reagan, Vice-Pres. Tommy Latham, Sec. Lenert Pfeiler, L.D. Smith, Dick LeBleu, Otis Burroughs.

Our Superintendent

MR. OTIS W. BURROUGHS, has for several years led in the admirable progress of our school system. His sincere interest in the student body and his excellent executive ability are evident to everyone.

Principals Guide Schools

MR. VERNON L. BOHACH is well equipped for his tremendous job as principal because he has experienced almost all the problems that a teacher or principal has, for he has been both. Every day he deals with student problems, supervises school activities, and maintains strict discipline in a fitting blend of authority and understanding. In spite of his crowded schedule, he can always find time to help any student or teacher when help is needed.

MR. ROBERT E. LESTER fills an important function in the efficient operation of our schools. He takes care of school money, makes school reports, and serves as assistant principal of the Banquete schools. In addition to these duties, he also teaches a shorthand class in high school.

Let it be said that, as a friend, and as a principal, the services of Mr. Lester are greatly appreciated.

COACH RICHARD MOODY

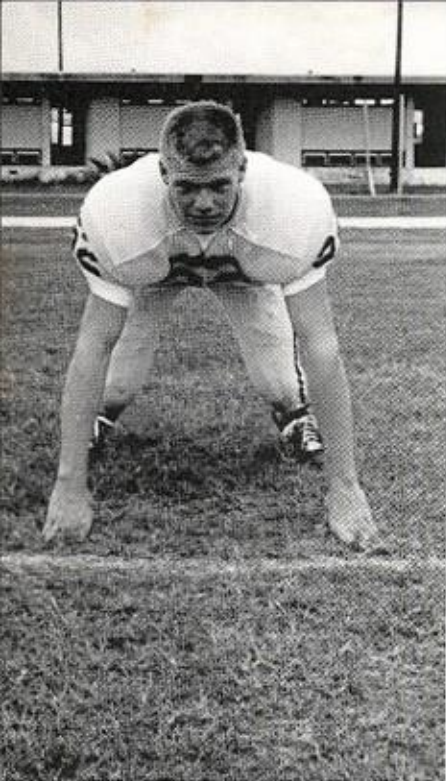

This football season was marked with the excitement and spirit of another undefeated year. Our record has been one of teamwork, pride, and the will to win.

We owe this outstanding record largely to the work and efforts of Coaches Knoblauch and Moody. They have contributed their time and skills to teaching us that working together and wanting to win are the ingredients of success, not only in sports but in all walks of life.

We are proud of our coaches and our team for doing so well this year.

In the years ahead...

you're going to use electricity in lots of wonderful new ways...

Dishes and clothes will be washed by sound waves instead of suds. An "electronic housecleaner" will keep your whole house clean and dust-free. And CPL assures you there'll always be plenty of dependable, low-priced electricity to run all the electric wonders in your future! Central Power and Light Company, like more than 300 other investor-owned power companies throughout the country, is planning and building *right now* to make sure there'll always be plenty of power year after year for your every need.
